

Master Gardeners of York County Lannie Love Educational Scholarship 2022

The mission of the Master Gardeners of York County is to foster greater public awareness of environmentally sound gardening practices through education, community service, and mentoring.

Lannie Love was a retired educator, avid gardener, and past president of the organization. To honor her legacy, a scholarship was established in 2013 to assist students pursuing higher education in horticulture or a related field. Related fields may include:

- agribusiness
- agriculture
- agricultural education
- sustainable agriculture
- botany
- entomology
- environmental engineering
- environmental sciences
- forestry
- greenhouse management
- landscape design
- turf management
- urban geography
- urban planning
