

## Login to PDTrakker to Gather District-Recorded Renewal Credit

PDTrakker is the service that York School District 1 has used to record district-provided PD credit, through June 2017.

### Logging In

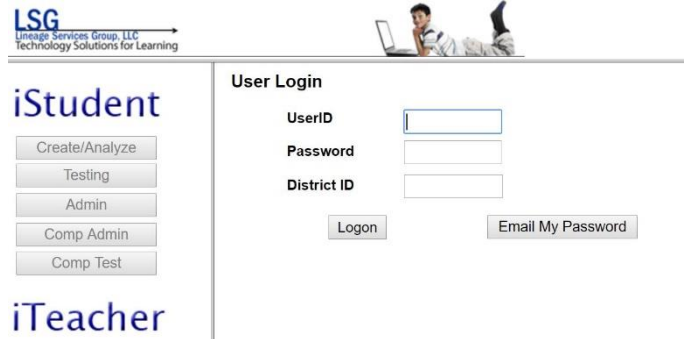

Login to PDTrakker via [www.lsgproficient.com](http://www.lsgproficient.com)

Login ID: the first part of your YSD1 district email

Password: the password you set for PDTrakker.

District ID: york

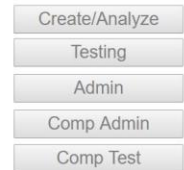

If you do not know your password, enter your Login ID and the District ID, then click the Forgot My Password link and it will email your password to you.

Once logging in, click the My Courses button on the left side (1). Your recorded PD will show on the screen. Click the Print button (2) to load a print screen. Click on the Printer icon (3) to load the print dialog box, then print your sheet. Note: The print dialog may load in a new window, so check your web browser for a blocked PopUp window (4) if you don't see anything load.
