What is a School Improvement Council (SIC)?

An SIC is a broad-based body intended to advise the principal and school, and is focused on helping to achieve school improvement.

What do SICs do?

SIC duties focus primarily on the **school improvement process**. SICs:

- provide input and feedback during the development of the school's five-year renewal (improvement) plan and annual updates;
- assist in implementation of school improvement programs and activities;
- monitor and report on progress toward improvement goals in the annual *SIC Report to the Parents* and with the principal in the narrative to the *SC School Report Card*;
- provide other assistance as requested by the principal.
