May 27 - Memorial Day Holiday *NO SCHOOL*

May 30 - Foam Pit/9 Week Dance Party

May 31 - Field Day

End of Year Attendance

ATTENDANCE MATTERS even as we draw close to the end of the school year. It is important that your child comes to school on time every single day to make sure they eat a good breakfast and grow their academic success.

Classroom Guidance

Classroom Guidance for younger grade levels has ended due to end of the year testing. 3rd and 4th graders will learn about healthy sleeping habits, and how to ease test anxiety.

Testing is Stressful - how can you help?

- Make sure your child gets a good night's sleep before the test.
- Ensure that your child is present during testing days. Children tend to perform better when taking tests with their regular class rather than a makeup group.
- Make sure your child has taken any needed medication/has glasses/hearing aids.
- Get your child to school on time the day of the test so they can eat a good breakfast and be with their class before the test.
- Encourage your child to stay focused on the test, even if other students finish early.
- Wish your child good luck each morning of the test!
