FOOD ALLERGIES OR SENSITIVITIES OR OTHER SPECIAL DIETARY NEEDS

Students must have a medical doctor complete and sign an “**Eating and Feeding Evaluation for Children with Special Needs**” form if they have a special dietary need, food allergy, or sensitivity to certain foods that could result in illness. This form must also be signed by the parent and returned to the school nurse before any alteration can be made in the regular school menu.

Should your child have a special dietary need but does not need any alterations in the regular school meal program, please sign the “**Eating and Feeding Evaluation**” form and return it to the school nurse. If there are no restrictions in their diet the doctor will **NOT** need to sign the form.

Please contact the school nurse if you need this form.
